MATERIAL: The Flogger is crafted from high-quality leather. Combined the most convincing and light materials for well organized usage of this whip.

LENGTH: The total length of the riding flogger for horses is 30 inch. The riding whip is squashy and lightweight.

USES: The leather whip can be used for outdoor sports, like horse training. And also for indoor activities, like cosplay, performance, costume runway show, parties.

IMPORTANT DETAILS: The riding crop handle is rigid, convenient and non-slip. Due to its fewer and thinner fall our Flogger looks Beautiful.

Only use the flat portion of your tool; don't strike using the edge.
Avoid the face, neck, spine, kidneys, or joints (knees, ankles, elbows)
Be gentle with genital areas or breasts
Focus more on fleshy areas like buttocks or thighs
More flexible paddles offer a "stinging" result, whereas stiffer, harder paddles
give a "thuddy" result. In the case of leather, such as this vegan leather paddle, it will give a "stinging" feel!
